A Happy Pocket Full Of Money - hollyworton.com

Abstract The relationship between money and happiness is surprisingly weak, which may stem in part from the way people spend it. Drawing on empirical research, we propose eight principles designed to help

If Money Doesn't Make You Happy Then You Probably Aren't

Happy Money is an interesting read into how our spending habits can make us happy -- or not! The book uses studies to explore how what we earn may not be as important to our well-being as where we work, and what we own may not be as important to our happiness as what we experience when spending money.
