Narrative exposition is the insertion of important background information within a story; for example, information about the setting, characters' backstories, prior plot events, historical context, etc. In a specifically literary context, exposition appears in the form of expository writing embedded within the narrative.

### **Exposition (narrative) - Wikipedia**

A narrative or story is a report of connected events, real or imaginary, presented in a sequence of written or spoken words, or still or moving images, or both.

### **Narrative - Wikipedia**

A narrative essay is a journey through time. Every narrative essay has three parts: a beginning, a middle, and an end. Writing a narrative essay is different from a persuasive essay.
