Noun . penguin (plural penguins) Any of several flightless sea birds, of order Sphenisciformes, found in the Southern Hemisphere; marked by their usual upright stance, walking on short legs, and (generally) their stark black and white plumage.

penguin - Wiktionary

The word penguin first appears in the 16th century as a synonym for great auk. When European explorers discovered what are today known as penguins in the Southern Hemisphere, they noticed their similar appearance to the great auk of the Northern Hemisphere, and named them after this bird, although they are not closely related.
