[PDF] Charlotte Cotton the Photograph as Contemporary Art

In the 21st century photography has come of age as a contemporary art form. Nearly two centuries after photographic technology was first invented, the art world has fully embraced it as a legitimate medium, equal in status to painting and sculpture. This book provides an introduction to contemporary art-photography, identifying its most important features and themes and celebrating its exciting pluralism through an overview of its most important and innovative practitioners. The work of ...

The Photograph as Contemporary Art - thamesandhudsonusa.com

This is a well argued and illustrated book on contemporary photography: good for academic study and interesting to get a sense of what art photography actually is. I am interested in photography and use it for business quite a lot: this, obviously, is entirely practical, but not without art or skill. As is the case with much of contemporary art, today, the photography here is conceptual, guided by an idea as opposed to technical skill and some of the works do seem to be very common-place ...

The Photograph as Contemporary Art (World of Art): Amazon

A short illustrated survey of the use of photography in contemporary art since the mid-1980s. The work of approximately 150 of the best-known artist-photographers are featured: Andreas Gursky, Nan Goldin, Philip-Lorca diCorcia, Richard Billingham,
