real and pretend lesson | Lesson Plan | Learning

Several observers have recently invoked interwar political developments to make the case that even established democracies are fragile and vulnerable to breakdown. However, the real lesson of the interwar period is that even crises as devastating as the Great Depression and the political success of

Project MUSE - The Real Lessons of the Interwar Years

A good lesson in the need for both strategic clarity and courageous leadership while market forces overpower the managers in the profit trenches. aibaru | June 10, 2016 In the end, it seems that there are many reasons why Kodak fell.
