Auralog Tell me More Software - Central Manuals

The Tell Me More Project is a fresh take on networking for professionals. We create networking strategies that change the way you think about networking and who you are as a networker.

The Tell Me More Project - Networking Experiences for

Now before going to a party I just tell myself to listen with affection to anyone who talks to me, to be in their shoes when they talk; to try to know

Tell Me More - uwyo.edu

"Tell Me More!" is a collection of starting points. Teachers will want to adapt and supplement these, and much of the lexical input has therefore been left to their discretion and preferred method of presentation. The "Teachers' Notes and Resources" are also beginning points. If the book and its contents can be used as a springboard for the development of conversation skills in the classroom, along with the promotion of greater self-confidence, motivation and independence on the part of the ...
