the use of variation pdf

EXAMPLE 2 Direct variation In a downtown office building the monthly rent for an office is directly proportional to the size of the office. If a 420-square-foot office rents for \$1260 per month, then

9.3 VARIATION - McGraw Hill Education

The study of language variation is an important part of sociolinguistics, to the extent that it requires reference to social factors. Languages vary from one place to another, from one social group to another, and from one situation to another, and these are the main topics of this chapter. They are treated in § 6.2 Geographical variation, § 6.3
