What Is Day Trading? The definition of "day trading" is the buying and selling of a security in a single trading day. If you're day trading online you will close out your position before the markets close for the day to secure your profits.

How to Start Day Trading 2018 for Beginners - Tutorials

What an oasis to find in the desert of trading education! As I read through the 6 volumes of Lance's new e-book there was a constant stream of "wow" and "aaah...that makes so much sense".
